*Everybody thought your talk was excellent. The Q&A also was a great source of information... We are all looking forward to the next talk!* —Kevin, principal Padre Pio Academy

*The teachers and I benefited a great deal from your seminars. The history of Catholic classical education, the philosophy, and a practical application of teaching a seminar were all very helpful. It has led to a good start to the school year.*

*Also, thank you for your suggestions and advice as regards curriculum.* —Jack Kersting, Trinity Grammar & Prep

#### **LEARN**

**What is meant by “classical education”?**

**Why does it play a foundational role in Catholic schools?**

**How can the classical curriculum be applied today?**

#### **EXPLORE:**

- . The Trivium and Quadrivium
- . Catholic culture in the school
- . How to teach writing in the classical manner

#### **EXPERIENCE:**
